DAMAGE AND SHORTAGE

Please inspect and count all packages when they arrive. If something appears to be damaged, please note it on the delivery receipt, and have the driver sign it. Save any cartons that are damaged.

Please open your packages and inspect them for hidden damage (damage that is not easily recognized from looking at the outside of the box). If you discover internal damage please contact us immediately.

If your products were damaged by the freight company or were missing from your order, you must notify us within 7 days of receipt of your order.

Always check your products against your packing slip as soon as they arrive. If you believe a shortage or error exists please contact us immediately.

We make every effort to keep our prices current, and error free. However, accidents happen, and our vendors do raise their prices. Therefore, all prices are subject to change without notice. We will contact you before shipping any order if there are any price changes. Rex Art cannot be held responsible for typographical errors.

OUT OF STOCK ITEMS

We hate to be out of stock on any items you may need. However, it does sometimes happen. In the event that any items in your order are out of stock, we will attempt to offer you comparable products, if available.

In lieu of a substitution, out of stock items may be back ordered and shipped free of freight, providing that the total back order is greater than \$25.00, and the shipment is a single, non-oversized package under 20 lbs. An initial shipment must occur for a back order to be in effect. Some restrictions may apply. Please contact us if you have any questions.
